RE: The Ohio Budgetary Financial Report  
For The Fiscal Year Ended June 30, 2005

The Ohio Office of Budget and Management (OBM) is pleased to announce the availability of *The Ohio Budgetary Financial Report*, for the fiscal year ended June 30, 2005. The report may be accessed by visiting OBM's website at the following address:

<http://www.obm.ohio.gov/finrep/budgtry/>

OBM is again publishing this year's report in an electronic format only. The selection of the electronic format is to capitalize on a channel of delivery with a broader distribution than is possible with a printed report, and to utilize the ease of delivery of the electronic report. The budgetary statements contained in the report summarize the financial activity recorded on the Central Accounting System for all funds subject to appropriation by the Ohio General Assembly.

We hope you find the 2005 budgetary report informative. If you have any questions or comments, please call Jane Snipes, Financial Reporting Manager, OBM, 466-2561.
