Re: Determination of Am. Sub. H.B. 699 Projects to be Subject to the Per Cent for Arts Program

This final report is submitted to you pursuant to Section 3379.10(D)(3) of the Revised Code. This report contains the final determinations made in accordance with section 3379.10 of the Revised Code, regarding which capital appropriations in Am. Sub. H.B. 699 of the 126th General Assembly are subject to the Per Cent for Arts Program (Program).

The final determinations have been made based on any comments received regarding the preliminary determinations, which were sent May 4, 2007. Please note that the list sent in May contained all projects in the bill that had appropriations greater than \$4,000,000, while this list contains only those projects determined to be included in the Per Cent for Arts Program.

The Revised Code requires this report to be sent to an agency regardless of whether that agency has a project that will be part of the Program. Please note that the Board of Regents and several of Ohio's colleges and universities have projects that will be included in the Program. Thank you for your assistance in this process.
