MEMORANDUM

June 1, 2012

TO: Fiscal Officers
All State Agencies, Departments, Offices, Boards,
Commissions and Higher Education Facilities

FROM: Tom Holsinger 
Deputy Director
Accounting Administration

SUBJECT: Fiscal Year End Updates

This memorandum is a follow up to my original memo of April 16, 2012 to provide agency fiscal officers with the year end processing deadlines and other fiscal information pertinent to fiscal year ending June 30, 2012. In addition to providing the year end processing deadlines in this memorandum, we will also post the information on our web page at www.obm.ohio.gov and on the Portal, on the FIN Home page. State Accounting will also send subsequent information in June reminding fiscal officers of the deadlines. If other staff in your agency would find this information useful, please share it with them.

Ohio Shared Services (OSS) year end processing deadlines have also been included for participating agencies. OSS has provided a separate memorandum attached at the end of this memorandum.

The keys to a successful fiscal year end are planning, coordination, and communication. It is imperative that agencies "clean up" all transactions in advance of the year end close. Our office will communicate with you regularly between now and the end of the fiscal year on June 30, 2012. If you have not already done so, please identify an individual in your fiscal office that State Accounting can contact in the event of an emergency and forward the name, telephone number, and e-mail address to Linda Lewis at linda.lewis@obm.state.oh.us.

Requisition and Voucher Processing

The last day for agencies to submit requisitions to State Accounting for review and approval is June 15, 2012. The last day for agencies to enter accounts payable vouchers and to submit voucher supporting documentation is June 15, 2012. Please refer to the attached calendar for a complete list of significant processing deadlines. If you have special processing needs, please contact the appropriate State Accounting supervisor. We have scheduled meetings with those agencies that must make payments (Medicaid, School Foundation, Higher Education, etc.) after the published deadlines.

OSS Participating Agency Voucher Processing

In order to comply with State Accounting's voucher processing timeline, the last day OSS will process vouchers for participating agencies is June 15, 2012. The last day for fiscal officers to approve OSS-entered documents is June 19, 2012. Please refer to the attached calendar for a

complete list of significant OSS processing deadlines. If you have special processing needs before June 15th, please contact Pam Hill at (614) 338-4881 or Ken Moon at (614) 338-4843.

OSS Travel and Expense

Travel and Expense deadlines have been added to the calendar for Travel Expense Reports, Travel Authorizations and agency supervisor approvals. In addition, a separate Ohio Shared Services memo relative to Travel and Expense for agencies who participate in the Travel and Expense module is attached at the end of this memo.

Controlling Board

The Controlling Board is scheduled to meet for the last time in FY 2012 on June 11, 2012. If your agency requires Controlling Board approval to complete a fiscal transaction prior to June 30, 2012, please be sure to coordinate with State Accounting to ensure that there is sufficient time to encumber and process payments this fiscal year. If you have any questions, please contact Tom Foster at (614) 466-4829, or by e-mail at thomas.foster@obm.state.oh.us.

Processing Payroll

The last payday chargeable in Fiscal Year 2012 will be Friday, June 29, 2012. **Agencies must have cash available on Wednesday, June 27, 2012 in order to ensure payroll is processed properly.**

Corrections

Transactions with account coding errors for FY 2012 **cannot** be corrected in FY 2013. Review your coding information on disbursement and revenue documents to correct FY 2012 errors prior to FY 2013.

- Review revenue documents, inquiries, and reports to verify that the correct funds and revenue account codes were credited. **No modifications will be accepted after noon on June 29th. No FY 2012 account coding errors may be corrected after the June 30th close.**
- All payroll corrections must be submitted for July, 2011-May, 2012 pay dates by Friday, June 8, 2012. Payroll corrections for the June, 2012 pay dates must be complete by Wednesday, June 27, 2012.

If you have any questions, please contact Tom Foster at (614) 466-4829, or by e-mail at thomas.foster@obm.state.oh.us.

OAKS Availability

OAKS will be available from 8:00 am to 5:00 pm to agencies for entering fiscal transactions on the weekends of June 2nd and 3rd; June 9th and 10th; and June 16th and 17th. OAKS will not be available to agencies on the afternoon of Friday, June 29, 2012, once all revenue documents have been accepted. This will allow State Accounting adequate time to process current year transactions and make OAKS available as early as possible on Monday, July 2, 2012.

Emergencies

If unusual or emergency situations occur on or after the deadlines, contact Vicki Brigham at vicki.brigham@obm.state.oh.us.

Ohio Shared Services – Addendum to Tom Holsinger’s Fiscal Year-end Updates

This addendum is intended to provide additional information pertinent to Ohio Shared Services (OSS) Participating Agencies that submit voucher processing to OSS (see Section I) **and** to all agencies that currently use the OAKS Travel and Expense module (see Section II).

If your agency does not submit voucher processing to OSS and does not use the OAKS Travel and Expense module, please disregard this document.

Section I: OSS Participating Agencies only

Based on the fiscal year-end close June 18-30, 2012, OSS anticipates an accounts payable (AP) backlog will occur during this time. To manage and eliminate this backlog, OSS plan is outlined as follows:

- Once OAKS becomes available, OSS AP will work diligently to return to the 3-day processing time documented in the Service Level Agreement. The oldest invoices will be processed first.
- Beginning no later than July 5, 2012 OSS AP will provide daily communications to participating agencies on the status of the invoice volume remaining to be processed. These invoices will be listed in the order received at OSS (oldest date first). Please note: OSS will not be able to determine the backlog volume by agency.
- In addition, agencies can also run the following queries to determine if a specific invoice has arrived in OAKS:

Navigate to Reporting Tools → Query → Query Viewer

Report	Description
OH_AP_OSS_SORTER_ACTIVITY	Provides all invoice activity by the date received at OSS including invoice exceptions (problem invoices), rejected and completed invoices (VAT and manual), and assigned work-in-progress
OH_AP_OSS_VCHR_MATCH_EXC_SUMRY	Provides a point-in-time list of all outstanding voucher match exceptions that require OSS rework
OH_AP_OSS_VCHR_CURRENT_DENIED	Provides a point-in-time listing of all outstanding vouchers in denied status that require OSS rework

For assistance with running the queries or escalations regarding the backlog, please contact Pam Hill at pam.hill@obm.state.oh.us or Ken Moon at kenneth.moon@obm.state.oh.us.

Section II: All Agencies – OSS Travel and Expense

The OAKS Travel and Expense module **will not** be available June 14-30, 2012. This will require agencies that use the OAKS Travel and Expense module to:

- Approve Travel Authorizations and Expense Reports by specified deadlines to ensure payments are made in a timely manner.
- Ensure all documents have correct coding and pass budget check by Tuesday, June 19, 2012.

Travel Authorizations

- Travel Authorizations NOT approved by supervisors by June 13th will be deleted from OAKS and will need to be recreated on or after July 2nd.
- Travel Authorizations approved by June 13th will not be deleted.
- For travel occurring between June 14, 2012 and June 30, 2012, travelers should create Travel Authorizations on or after July 2nd.
- Last day for Fiscal Budget Analysts to change coding on Travel Authorizations is 5:00 pm, Tuesday, June 19, 2012.

Expense Reports

- Expense Reports NOT approved by supervisors by June 13th will be deleted and will need to be recreated on or after July 2nd.
- Travelers have until August 31st to recreate deleted Expense Reports.
- Travelers should create Expense Reports for travel occurring between June 14-30, 2012 on or after July 2nd.
- Last day for Fiscal Budget Analysts to change coding on approved Expense Reports is 5:00 pm, Tuesday, June 19, 2012.

Receipts

- Travelers are to submit receipts for submitted Expense Reports in enough time to ensure arrival to Ohio Shared Services by 5:00 pm, June 13, 2012. Travelers are to submit receipts on or after July 2nd for travel occurring between June 14, 2012 and June 30, 2012.

Travel and Expense Budget Implications

- Any Expense Reports created from Travel Authorizations that were approved by June 13th will reference the FY 2012 budget.
- Travel Authorizations that are created and approved on or after July 2nd will encumber the FY 2013 budget, regardless of the travel dates being reimbursed.
- Taking action on aging and unused Travel Authorizations by June 13th will release encumbered FY 2012 funds.
- Expense reports that do not pass Ohio Shared Services pre-audit by 5:00 pm, June 15th will be denied, the Travel Authorization used to create the Expense Report will remain closed, and travelers will need to recreate a new Travel Authorization and Expense Report for this travel on or after July 2nd.

- Expense Reports that are created on or after July 2nd from Travel Authorizations approved by June 13th will not be able to exceed the authorized amount on those Travel Authorizations (less state prepaid expenses). Any expenses that exceed the approved Travel Authorization amount will need to be created and submitted on a separate Travel Authorization on or after July 2nd.

Travel and Expense Reports

Beginning May 1, 2012, fiscal offices will receive weekly communications about travel documents that need action taken from the OAKS Travel and Expense module. This communication will include an Excel file with reports.

Reports

Agencies can also run and monitor these reports on your own. Navigate to Reporting Tools→ Query→ Query Viewer

Report	Description
OH_TE_YEC_PENDING_TA	Identifies Travel Authorizations that are in Pending or Submitted status that need action taken by either the traveler or supervisor
OH_TE_YEC_APR_TA	Identifies Travel Authorizations that are in Approved status without an expense report created
OH_TE_TA_BUDGET_ERROR	Identifies Expense Reports that are in budget error
OH_TE_ER_BUDGET_ERROR	Identifies travel authorizations that are in budget error

All agencies are expected to take action on any outstanding Travel Authorizations and Expense Reports from OAKS. We cannot close FY 2012 with any Travel Authorizations or Expense Reports that have not been approved and successfully budget checked. Your assistance will help to release encumbered funds and allow timely reimbursements to travelers.

If you have any questions regarding Travel and Expense, please email ohiosharedservices@ohio.gov or contact us at 1-877-644-6771.
