

State Board of Orthotics, Prosthetics, and Pedorthics

Role and Overview

The State Board of Orthotics, Prosthetics, and Pedorthics (OPP) was established in 2002 to ensure that those who are licensed by the board meet certain minimum education and training criteria to safely operate in Ohio. The board then monitors those licensees to ensure compliance with the laws and rules which govern the profession. The board's annual budget of slightly more than \$111,000 supports a staff of two in addition to the seven board members. OPP licenses approximately 370 persons. Ohio is one of 11 states currently requiring licensure in Orthotics and Prosthetics and fewer require licensure in Pedorthics. Additional information regarding the Board of Orthotics, Prosthetics, and Pedorthics is available at <http://www.opp.ohio.gov/>
