

Role and Overview

The State Veterinary Medical Board (DVM) was established to ensure that those who are licensed by the board meet certain minimum education and training criteria to safely practice veterinary medicine in Ohio. The board then monitors those licensees to ensure compliance with the laws and rules which govern the profession. DVM licenses approximately 3,500 veterinarians and nearly 1,700 veterinary technicians. Additional information regarding the Veterinary Medical Board is available at <http://ovmlb.ohio.gov/>.

Agency Priorities

- Increase the use of technology to begin an on-line renewal process beginning with veterinarian renewals in 2008 and explore the development of an online application process.
- Regulate and enforce the provision of Chapter 4741 of the Ohio Revised Code to protect the public by improving the quality of veterinary care.
- Continue to develop and implement the Veterinary Student Loan Repayment program to encourage veterinary students to provide care in underserved areas.
