

**Role and Overview**

The Ohio Board of Dietetics (OBD) was established in 1987 to ensure that those who are licensed by the board meet certain minimum education and training criteria to safely practice dietetics in Ohio. The board then monitors those licensees to ensure compliance with the laws and rules which govern the profession. OBD licenses over 3,100 dietitians, 43 limited permit holders, and 961 dietitians who hold inactive licenses. Additional information regarding the Board of Dietetics is available at <http://www.dietetics.ohio.gov/>.

**Agency Priorities**

- Maintain the quality standards for persons who may practice nutrition and dietetics and continue to educate licensees and the public about the practice of dietetics in Ohio.
- Improve service activities and access to the agency through enhancing the website, development of on-line license renewal services, and implementation of credit card payment options.
