

Role and Overview

The State Board of Psychology (PSY) was established to ensure that those who are licensed by the board meet certain minimum education and training criteria to safely practice psychology and school psychology in Ohio. The board then monitors those licensees to ensure compliance with the laws and rules of the state. PSY has approximately 3,750 licensees. More information about the State Board of Psychology is available at <http://www.psychology.ohio.gov/>.

Agency Priorities

- Provide safeguards to consumers of psychological services who expect and need psychological or school psychological services.
- Stop illegal practice of psychology and school psychology.
- Protect the public by monitoring the actions of psychologists, school psychologists, and persons who are not licensed by this board (nor licensed as any other professional) in delivering services to the public.
- Ensure that appropriately trained professionals are providing psychological or school psychological services.
- Establish rules to guide professionals in their provision of psychological or school psychological services, emphasizing the protection of client welfare.
