

**State Board of Orthotics, Prosthetics, and Pedorthics**

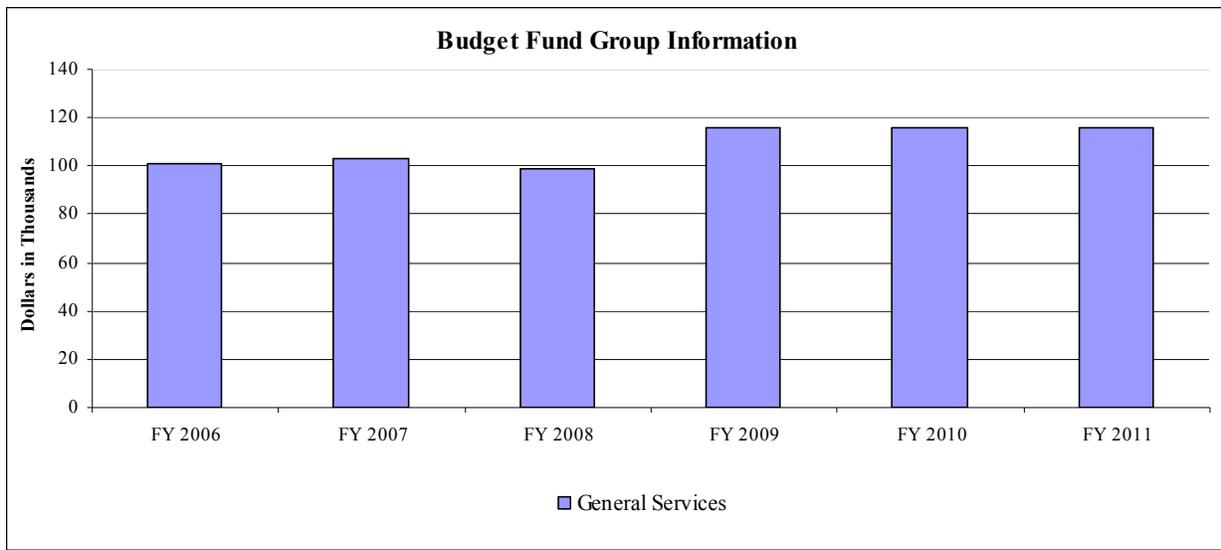

**Role and Overview**

The State Board of Orthotics, Prosthetics, and Pedorthics (OPP) was established in 2002 to ensure that those who are licensed by the board meet certain minimum education and training criteria to safely operate in Ohio. The board then monitors those licensees to ensure compliance with the laws and rules which govern the profession. OPP licenses approximately 370 persons. Ohio is one of 11 states currently requiring licensure in Orthotics and Prosthetics and fewer require licensure in Pedorthics. Additional information regarding the Board of Orthotics, Prosthetics, and Pedorthics is available at <http://www.opp.ohio.gov/>

**Agency Priorities**

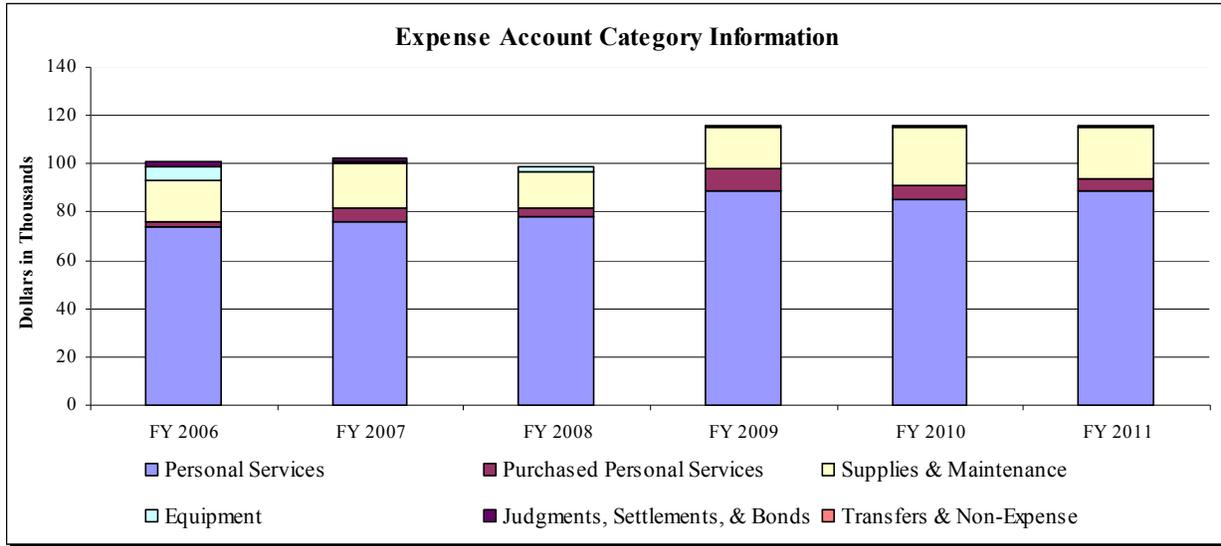

- Utilize its rule-making authority to clarify the Practice Act and seek agreement between Ohio law and federal regulations.
- Utilize information technology to improve its website interface and disseminate information to its credentialing partners in the healthcare community.
- Pursue opportunities to share resources, experience and knowledge with other regulatory boards for operational efficiencies.
